

AERO

Silicone Spray

AERO® 104 SILICONE SPRAY is a textile grade silicone designed specifically for the furniture and upholstery industry. This colorless, dry and non-staining spray helps speed cutting and sewing while eliminating material drag. Helps stop bunching and binding and facilitates fabric flow. Works well when applying new slip covers.

Use AERO® 104 SILICONE SPRAY to reduce friction on cutting tables, sewing needles knives and cutters. Protect and restore any rubber, plastic and vinyl parts with periodic coatings. Heat stable and unaffected by temperatures ranging from -40C to over 200C. Leaves no greasy film.

DIRECTIONS

Clean surface to be treated. Remove cap and spray a thin film on surface from eight to ten inches away. Wipe away excess with a clean cloth.

NOTE: May harm painted or waxed finishes. Always test in an inconspicuous area before use.

aero®

AERO® brand aerosols are the finest available anywhere. A full range of solutions, from cleaning, to pest control. No other products can match our standards or our commitment to quality.

HIGHLIGHTS

- Helps speed cutting
- Facilitates fabric flow
