### WAX BASED FURNITURE POLISH

#### FOR FURNITURE, PANELING, OFFICE MACHINES, TELEPHONES AND CABINETS

This product contains a combination of waxes to impart a tough, protective finish. Silicones are added to impart a high gloss to all non-porous surfaces.

This product is formulated with special solvents and cleaning agents to aid in removal of most oil and water soluble stains. This product will clean and protect furniture, woodwork, cabinets, Formica counter tops, appliances, metal, ceramic wall tile, leather, etc.

**DIRECTIONS:** Shake container well. Remove protective cap. Spray moderately 6 to 8" from surface to be polished. Wipe in a circular motion immediately with a soft, clean cloth. Avoid contact with fabrics. To prevent clogging, invert can and spray until actuator button is clear.

#### HIGHLIGHTS

- Water-based emulsion of cleaning solvents, silicone and waxes
- Leaves a durable protective finish
- Pleasant lemon scent
