Windshield De-Icer

REMOVES ICE, SNOW AND FROST FROM WINDSHIELDS, HEADLIGHTS, AND DOOR LOCKS

This product contains a blend of solvents which safely and effectively remove ice, snow, and frost from windshields, headlights, and door locks. This product will not streak on glass surfaces, and will not harm plastics, rubber, or painted surfaces.

DIRECTIONS: Remove protective cap and direct spray toward surface to be cleaned. Always hold container upright. Apply liberally to surfaces, allow 30 seconds, and wipe area clean. Repeat application on heavily iced areas. Spray directly into frozen door locks. Wait 30 seconds before attempting to unlock door. Repeat application if necessary. Occasional reapplications will prevent locks from sticking.

HIGHLIGHTS

- Fast-acting
- Non-streaking

TYPICAL PROPERTIES

- Specific Gravity: 0.870
- Propellant: Hydrocarbon
- Spray Characteristics: Forceful
- Appearance: Clear, colorless
- Odor: Alcohol
- Net Weight: 1.5 ounces

SAFETY CAUTIONS

Keep out of reach of children. Read label and SDS before use. Extremely flammable aerosol. Contains gas under pressure; may explode if heated. Toxic if swallowed, in contact with skin, or inhaled. Causes damage to optic nerve and central nervous system. May cause blindness.

Refer to SDS for additional safety information.
