Insect Repellent

FOR PERSONAL APPLICATION AND CLOTHING

Repels Mosquitoes, Chiggers, Ticks, Deer Flies, Stable Flies, Black Flies, Gnats and Fleas on Exposed Skin Surfaces.

Repels mosquitoes that may carry diseases such as West Nile Virus, the Zika Virus, Encephalitis and Malaria.

DIRECTIONS: Read all directions before using this product. It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Skin application for mosquitoes, biting flies, gnats, and fleas. Hold unit 4 to 6 inches from the skin of arms or legs while applying with a slow sweeping motion until surface is slightly moistened. Rub with hand to insure even distribution.

To apply to face and neck, spray in palm of hand in short bursts and spread on the skin. Do not apply over cuts, wounds, or irritated skin. Do not apply to eyes and mouth and do not apply to the hands of young children. **DO NOT SPRAY DIRECTLY ON FACE.** Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness.

After returning indoors, wash treated skin with soap and water. Wash treated clothing. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you.

For protection against mosquitoes and biting flies, pay special attention to where biting through clothes occurs - shoulders, elbows, seat of trousers, front of trousers, front of thighs, knees, and socks. For protection against chiggers (mites), fleas, and ticks, pay special attention to the socks, shoe tops, and fly, trouser leg cuffs, trouser fly, and waistband, and the front fly and cuff fly of the shirt. Avoid contact with plastics, such as eyeglass frames, and such fabric as acetate rayon. Do not spray in enclosed area.

CAUTION: Instruct older children in the proper use of this product. Do not spray on face, lips, or into eyes. In case of contact with eyes, flush with water.
