Automotive Carpet Shampoo and Deodorizer

- **Cleans and Deodorizes Carpet, Upholstery and Fabric**
- **Ideal Heavy Duty Pet Stain and Odor Remover**

AERO® brand AUTOMOTIVE CARPET SHAMPOO AND DEODORIZER quickly removes stains such as grease, oil, tar, grime, gunk, crayon, shoe polish, lipstick, fresh paint, carbon paper, butter and makeup from carpeting, fabrics, etc. Excellent for pet stain and odor control. Water based and contains no ozone depleters.

This product is ideal for: Automobiles, boats, vans, trucks, buses, planes, or other motor vehicles.

DIRECTIONS

Always test first in an inconspicuous area to be certain of color fastness. Vacuum or brush clean surface to remove excess dirt. Shake can well. Spray area to be cleaned liberally in a sweeping side-to-side motion. Be sure to saturate entire area to allow product to reach deep into carpet or fabric surface. Work foam into surface with a sponge, brush or damp cloth. Allow foam 5 minutes to lift and suspend deposits. Wipe or blot surface with clean cloth or vacuum if appropriate. Repeat applications may be required for heavily soiled areas. Heavy duty stains such as coffee or urine may require spraying and leaving for up to 30 minutes before wiping or blotting. To avoid spotting, protection from over spray may be necessary for nearby areas.
