

Our AERO® line of Herbicides consists of a full range of liquid non-selective weed killers, including oil and water-based products, non-residuals and soil sterilants. Now in a convenient aerosol that's perfect for tight, hard to reach areas in and around parking lots, rail lines, fence lines, and more!

# aero®

## Knock-Out®

### NON-SELECTIVE WEED KILLER

### CONTROLS WEEDS AND GRASSES

### THROUGH FOLIAGE AND ROOT CONTACT

This product is intended for use around any property or facility that functions to provide a service to the general public or to public or private organizations, including hospitals, nursing homes; schools (other than preschools and day care facilities); museums and libraries; sports facilities; and office buildings. Not for use on turf being grown for sale or other commercial use as sod, or for commercial seed production, or for research purposes. For use on plants in non-crop and non-timber areas only. Not for use on crops, timber, or other plants being grown for sale or other commercial use, or for commercial seed production, or for research purposes. Not to be used in any recreational areas or in or around homes.

#### DIRECTIONS

Remove protective cap. Invert can and point opening in spray tip towards weeds to be sprayed. Depress the tab on the side of tip and spray weeds thoroughly.

**General Weed Control:** To control most weeds for an extended period of time on non-cropland areas, including parking lots, fence rows, loading ramps, railroad sidings, storage yards, around buildings and industrial plant sites, apply at the maximum rate of 1 can per 174 sq. ft. per application. Limited to 2 applications per year. Minimum of 30 days between applications.

Controls annual weeds and grasses such as foxtail, ryegrass, wild oats, crabgrass, cheatgrass, broomsedge, ragweed, lambsquarter and turkey mullein, and other hard-to-kill perennial weeds and grasses, such as Johnsongrass, saltgrass, bouncing bet, bracken fern and horsetail.

#### HIGHLIGHTS

- Non-flammable
- Contains bromacil & 2-4-D
- Convenient aerosol, no mixing or measuring!
- Non-selective
- Soil sterilant
- Oil-based
- Fast acting/long lasting
- Kills well-established vegetation
- Prevents return of weeds for one growing season
- Creates no hazardous disposal

#### TYPICAL PROPERTIES

- Specific Gravity: 0.89
- Density: 7.4 lbs./gal.
- **COVERAGE**  
**ANNUAL WEEDS:**  
1 can per 64-128 square feet  
**PERENNIAL WEEDS:**  
1 can per 36 square feet
- **ACTIVE INGREDIENTS:**  
2,4-Dichlorophenoxyacetic acid  
2-ethylhexylester ..... 1.09%  
Bromacil (5-bromo-3-sec-butyl-6-methyluracil) ..... 0.98%  
Inert Ingredients ..... 97.93%
- Odor: Petroleum
- Appearance: Brown liquid
- Net Weight: 15 oz. (425g)

#### SAFETY CAUTIONS

Harmful if absorbed through skin.  
Harmful if inhaled. Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

Refer to SDS and product label for additional safety information and directions for use.
