Vita Pine Pine Odor Disinfectant

CONTAINING PURE STEAM DISTILLED PINE OIL. PHENOL COEFFICIENT 5 vs. S. TYPHOSA (A.O.A.C.) TEST METHOD. Limited Disinfectant Against Odor Causing Bacteria

DIRECTIONS

FOR DISINFECTING AGAINST ODOR CAUSING BACTERIA IN TOILET AREAS, SHOWER STALLS, GARBAGE RECEPTACLES, and GARBAGE DISPOSALS: Pour 1 part disinfectant into a pail. Add 100 parts of water (4 ounces disinfectant to 12 quarts water). Stir the milky solution before using. Apply solution with a sponge cloth or by mopping. Wet all surfaces thoroughly and allow to stand for 10 minutes, then rinse. Prepare fresh solution after each use.

FOR DISINFECTING TOILET BOWLS: Pour 4 ounces of the undiluted disinfectant into bowl water. Swab toilet bowl with the solution completely using a scrub brush or mop, making sure to get under the rim, and let stand for at least 10 minutes. Flush toilet and rinse mop several times. Prepare fresh solution after each use.

FOR SCRUBBING: Use one 4-ounce cup of disinfectant to a 12 quart pail of water (add water to disinfectant). No rinsing required except on rubber or asphalt tile. Rinse for best shine on no-wax floors. When solution is prepared, prepare only amount needed for job at hand. Discard at end of day or when visibly dirty.

HIGHLIGHTS

- Economical 1 1/3 ounce per gallon dilution
- Safe for use on all washable surfaces
- Strong pine fragrance
- 13.54% pure pine oil

TYPICAL PROPERTIES

- Forms milky white emulsion upon the addition of water.
- Specific Gravity: 0.99
- pH : 11.7
- **ACTIVE INGREDIENTS:**
 - Pine Oil 13.54%
 - Sodium ortho-Benzyl-para-Chlorophenate 3.93%
 - Inert Ingredients 82.53%
- Appearance: Amber liquid
- Fragrance: Pine

SAFETY CAUTIONS

Highly corrosive. Causes irreversible eye damage. Causes burns to skin. Irritating to nose and throat. May be fatal if swallowed. Will burn with the evolution of chlorine and equally toxic gases. Do not get in eyes on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Avoid breathing dust or fumes.

Refer to SDS and product label for additional safety information and directions for use.
