

Our line of AERO® Bowl Cleaners ranges from aggressive high acid bowl cleaners to mild non-acid bowl cleaners to satisfy every need in restroom maintenance.

aero®

Bowl Clinger

A Viscous Bowl Cleaner Containing Hydrochloric Acid

A powerful, thick liquid that clings to vertical surfaces allowing time to penetrate all types of build ups. Excellent for removing algae stain, rust and soap scum from urinals, toilet bowls, basins and shower stalls. It is equally effective for cleaning chrome. A pleasant scent leaves bathrooms smelling fresh and clean.

DIRECTIONS

Shake well before using.

Pour or squirt on sides and flushing rims of toilet bowls and urinals. Scrub as needed.

For other surfaces, dilute with water according to degree of soil and kind of surface.

Always rinse thoroughly with water after cleaning.

HIGHLIGHTS

- Low acid bowl cleaner
- Thick and clinging
- Pleasant fragrance
