Our line of liquid AERO® Odor Control Products contains RTU and concentrated deodorants ranging in application from room air deodorizing to municipal odor control.

# **Lon Gon**

## **Liquid Deodorant Concentrate ELIMINATES UNDESIRABLE ODORS**

Stops odors caused by: Mildew, Urine, Pets, and Smoke -contains no harmful fluorocarbons-

#### **DIRECTIONS: THIS PRODUCT LEAVES NO RESIDUE**

**General Use:** A drop or two in commodes, wash rooms, disposals, garbage cans, pet beds, air conditioner filters, litter boxes and other enclosed areas, eliminates malodors and leaves a refreshing aroma.

**Carpets:** Eliminates odors and leaves a pleasant aroma. For carpet cleaning, add two ounces per gallon of shampoo solution. This product eliminates odors associated with urine, vomit, smoke, and mildew.

**Nursing Homes and Hospitals:** A drop or two in bed pans, portable toilets, urinals and drainage bottles will eliminate odors. This product will not stain bed pans, mattresses or clothing.

**Laundry Rooms:** A small amount of concentrate added to the wash water deodorizes a large load of laundry against offensive odors.

**Mop Bucket or Automatic Scrubber:** One (1) ounce per gallon of scrub water eliminates odors.

**Used Cars:** Dilute one part concentrate with one part water and spray interior of old cars to eliminate musty odors and beverage smell.

**NOTE:** This product is a concentrate and when used as a space spray it is recommended that one part of the concentrate be cut with one to five parts of water.
