

The AERO® Line of Resilient Floor Care Finish Removers ranges from “no-rinse” finish removers to aggressive caustic built finish removers.

aero®

Mr. Stripppp Floor Finish Remover

MR. STRIPPP is formulated for use with or without scrubbing machines. Contains no ammonia which makes it much more pleasant to work with. MR. STRIPPP can be diluted in either hot or cold water without effecting its performance. Labor saver due to fast penetration and rapid emulsification of old finishes.

DIRECTIONS FOR USE

For light or medium build-up of wax: Dilute 1 part product to 8 parts water.

For heavy build-up: Dilute 1 part product to 4 parts water.

Apply the diluted solution directly to the floor scrubbing vigorously with a mop or stripping pad. Allow to remain 5-10 minutes. Remove with a mop, wet vacuum or automatic scrubber. Rinse twice with clear water. Let the floor dry thoroughly before applying new finish or sealer.

HIGHLIGHTS

- Fast acting
- Saves labor
- Non-ammoniated

TYPICAL PROPERTIES

- Specific Gravity: 1.023
- pH: 12.5%
- Total Alkalinity: 4.7%
- Odor: Sassafrass
- Appearance: Clear light amber liquid
