Breathe Easy!**

Kapow

Restroom Cleaner

FOR THE REMOVAL OF HARD WATER STAINS, CALCIUM BUILD-UP, SOAP SCUM, LIME & RUST

KAPOW is a safe, organic restroom cleaner that cleans just like an acid, making it an ideal replacement for harsh hydrochloric and phosphoric acids. This thick clinging formula will remove the toughest stains from toilets, urinals, tubs, showers, tile and grouting.

KAPOW has NO HARSH FUMES making it completely safe and easy to use compared to traditional acid cleaners.

DIRECTIONS FOR USE

CLEANING AND DEODORIZING: Use full strength. Let stand for a few minutes. Wipe with cloth, bowl swab or sponge and rinse well.

KAPOW may be diluted 1:5 with water. For large areas spray or foam onto the surface, allow product to sit, then wipe and rinse well.

NOTE: When used on metal surfaces product should be wiped and rinsed immediately!

TEST: If you are unsure of a surface, PARTICULARLY METAL, test in an inconspicuous area using a small amount of KAPOW. This will determine how long you need to leave it on the surface and the correct dilution factor.

Safety Cautions: Keep out of reach of children. Read label and SDS before use. Causes serious eye damage and skin irritation. May be corrosive to metals.

Refer to SDS for additional safety information.

Typical properties:

pH: <2.0
Viscosity: 700 cps
Total Acidity: 12.5%
Appearance: Clear green liquid
Fragrance: Pleasant
