

# Oxy Quest

## Multi-purpose Cleaner, Degreaser, and Stain Remover

Oxy Quest is a synergistic blend of a highly biodegradable surfactant system and stabilized hydrogen peroxide. This all-purpose cleaner/degreaser is environmentally friendly and is formulated with raw materials derived from natural sustainable resources to quickly remove everyday soils and stains. The surfactant system is based on our DST technology (Fast Dynamic Surface Tension), allowing for superior penetration and removal of oily/greasy soils. Hydrogen peroxide reacts with organic stains, breaking them down and neutralizing the unpleasant odors. Oxy Quest effectively cleans windows, mirrors, floors, walls, carpet, restrooms, kitchens, tile and grout.

### DIRECTIONS FOR USE

Always pre-test for color fastness in an inconspicuous area before use. Do not use on marble and other acid sensitive surfaces. Do not mix with other chemicals. When using a pump sprayer, adjust to deliver a coarse spray; avoid breathing spray mist.

**GLASS & MIRROR CLEANING:** Dilute 1/2 oz per gallon of water for everyday glass and mirror cleaning. Spray surface and wipe with a lint free cloth.

**OTHER SPRAY AND WIPE CLEANING AND DEGREASING:** Dilute 2 to 12 ounces per gallon of cold tap water depending on degree of soil. Spray surface and wipe with sponge, brush, mop or cloth.

**FLOORS:** For daily cleaning, fill bucket or an automatic scrubber with a solution of 1 oz. of product per gallon of cold tap water. Change solution as needed.

**CARPET:** For Bonnet or Extraction cleaning, dilute 2 oz of product per gallon of cold water. Clean the carpet following the machine manufacturer's instructions. Do not over wet carpet. If carpet has been previously shampooed, a defoamer may be needed in the recovery tank. After cleaning, brush carpet pile in one direction with carpet pile brush. Avoid walking on carpet until thoroughly dry. If furniture is replaced before carpet is dry, place protective pads under legs. When carpet is completely dry, vacuum thoroughly. For Spot Removing or Traffic Lane Pre-spraying, dilute 10 oz of product per gallon of cold water. Spray, let sit for 5-10 minutes, and rinse or extract with clean tap water.

**GROUT:** To remove soil and mildew stains on grout, dilute 10 oz of product per gallon of cold water. Spray, let sit for 10-15 seconds, then scrub and rinse.

**Safety Cautions:** Keep out of reach of children. Read label and SDS before use. Causes serious eye irritation.

Refer to SDS for additional safety information.

### Typical properties:

- Specific Gravity: ..... 1.02
- pH (concentrate): ..... 2.5
- pH (1% solution): ..... 6.5
- pH (10% solution): ..... 4.5
- Appearance: ..... Clear colorless liquid
- Odor: ..... Citrus
