

The AERO® Line of floor finishes provides a finish for every application and maintenance technique employed by today's floor maintenance supervisor. The line ranges from hard polymer finishes for low maintenance situations to soft polymer finishes where frequent maintenance is required.

aero®

Floor Shield Restorer & Finish Enhancer

- Regular use will boost the gloss of the floor
- Doubles the life of floor finish by increasing durability
- Reduces the need to strip
- Polymer free – won't trap dirt

DIRECTIONS

Use Floor Shield only on floor finish or sealer.

NOTE: Wait 24 hours before applying Floor Shield to new finish.

Auto Scrub: Dilute 2-3 oz per gallon with cold water. Allow to dry, & burnish with appropriate pad. For best result use 1500 rpm or higher.

Mop On: Dilute 2 oz per gallon with cold water. Mop on, and allow to dry. Burnish with appropriate pad. For best result use 1500 rpm or higher.

Spray Buff: Dilute 1 oz per quart cold water. Spray Floor Shield onto the floor in a stream pattern and start to buff or burnish.

Top Scrub: Dilute 4 oz per gallon with cold water. Apply heavily as if stripping, and allow to dwell 5 minutes. Scrub with green or blue pad and pick up. Cold water rinse.

HIGHLIGHTS

- Highly concentrated
- Spray buff or mop on
- Removes heel marks & scuffs

TYPICAL PROPERTIES

- Specific Gravity: 1.0
- pH: 11.5
- Phosphates: None
