BRAKE & PARTS CLEANER

NON-CHLORINATED

Professional Strength

This professional strength brake and parts cleaner removes brake fluid, grease, oil and other contaminants from brake linings and drums. It cleans and degreases brake linings, drums, cylinders, springs, disc brake pads, and other related brake parts. Improves brake performance.

DIRECTIONS FOR USE

Read entire label before use. To remove brake fluid, grease, oil and other contaminants, spray brake parts liberally with BRAKE & PARTS CLEANER and allow to run off. Air dry or dry with soft cloth. Repeat application if necessary. Protect rubber, painted and plastic parts from direct spray or over-spray. May be applied without disassembling the brake unit.

NOTE: DO NOT USE ON POLYCARBONATE OR STYRENATED PLASTICS.

HIGHLIGHTS

- *50 state VOC compliant
- Blasts away deposits
- No fouled waste oil
- Removes brake fluid, grease, oil, and other contaminants

*Not For Sale in SCAQMD**
