

All AERO® Hand Soaps are formulated with the mildest detergents, emollients and skin conditioners.

Santi-Wash Hand Soap

Antiseptic Handwash

This product is a liquid hand soap based on an iodophor complex. This product is an excellent skin cleaner and sanitizer which provides a quick and effective removal of transient bacteria which may contaminate the hands of plant workers after the handling of raw meat or poultry.

DIRECTIONS

Wet hands and forearms. Apply 5 milliliters (teaspoonful) or palmful to hands and forearms. Scrub thoroughly for 1 minute and rinse. This product must be dispensed from adequate dispensers located a sufficient distance from processing lines to prevent accidental product contamination.

HIGHLIGHTS

- Iodine-based
