Stone Polish

FOAMING STONE SURFACE CLEANER, POLISH & PROTECTANT

IDEAL FOR USE ON: POLISHED GRANITE, MARBLE, NATURAL STONE, MANUFACTURED STONE SURFACES, STAINLESS STEEL AND GLASS.

AERO® STONE POLISH is a foaming spray and wipe cleaner designed to enhance natural color, fortify existing sealer, and eliminate unsightly dust. Ideal for use on polished granite, marble, manufactured stone surfaces, stainless steel and glass.

AERO® STONE POLISH Removes dust dirt and grime, replacing them with silicone additives that will increase shine, provide a layer of protection and won't leave a cloudy buildup. Easy shake, spray and wipe application makes AERO® STONE POLISH ideal for stone professionals.

NOT FOR USE ON FLOORS. AVOID DIRECT CONTACT WITH FOOD.

DIRECTIONS: Always test product in an inconspicuous area to check suitability for intended use. After testing simply: Spray on desired area and wipe with a clean cloth. Enjoy lasting shine and protection. Repeat process as frequent as required or desired. Additional buffing may increase shine.

NOTE: For kitchen applications, prepare food directly on surface treated only after surface is thoroughly rinsed with water. If rinsing is omitted, always prepare food on cutting board, plate, tray, paper towel or other barrier surface after countertop has been treated.

Manufactured exclusively by:
ABC COMPOUNDING CO., INC. • P. O. Box 16247 • Atlanta, GA 30321
