

AERO® brand aerosols are the finest available anywhere. A full range of solutions, from cleaning, to pest control. No other products can match our standards or our commitment to quality.

aero®

Rust Free

NON-FLAMMABLE 4-IN-1 OIL

LUBRICATES, PENETRATES, DISPLACES MOISTURE, & PREVENTS CORROSION

RUST FREE reduces hazards in the workplace by eliminating the extremely flammable characteristics of most penetrating sprays. It frees rusted and corroded nuts, bolts, studs, set screws, aluminum and copper fittings. RUST FREE penetrates through grease, soil, and sludge. It lubricates and prevents corrosion on rusted and frozen parts. It is used in garages, factories, on farm machinery, marine and aeronautical equipment, in shops and homes.

DIRECTIONS: Hold container upright 6 to 8 inches from surface to be sprayed. Spray area to be treated liberally and allow sufficient time for complete penetration. Repeat treatment on extremely corroded parts. Tapping or heating may be required in some severe instances.

WARNING: This product contains a chemical known to the State of California to cause cancer.

HIGHLIGHTS

- Non-flammable penetrating lubricant
- Displaces moisture
- Prevents corrosion

TYPICAL PROPERTIES

- Specific Gravity: 0.960
- Propellant: Hydrocarbon
- Spray Characteristics: Narrow Stream
- Appearance: Clear yellow liquid
- Odor: Solvent
- Net Weight: 20 ounces

SAFETY CAUTIONS

Keep out of reach of children. Read label and SDS before use. Contains gas under pressure; may explode if heated. May cause cancer; suspected of causing genetic defects (route of exposure: inhalation). May be fatal if swallowed and enters airways. May cause drowsiness or dizziness. Causes skin irritation. May cause an allergic skin reaction. Causes serious eye irritation.

Refer to SDS for additional safety information.
