

Metered Insecticide

KILLS HOUSE FLIES

This time released aerosol is to be used only in commercial food service and preparation areas of milk houses, hotels, motels, factories, stores, ships, clubs, restaurants.

This time released aerosol is to be used only in commercial food service and preparation areas of milk houses, hotels, motels, factories, stores, ships, clubs, restaurants.

FOR USE IN AUTOMATIC DISPENSERS: Install at a distance of seven (7) feet from the floor and where air currents will carry spray throughout room. One dispensing unit should be installed for each 6,000 cubic feet of space to be treated. Set the dispenser to activate the 54 mg. valve once every 15 minutes. Usually the effectiveness will be noticeable within one hour after the dispenser is activated. Keep in mind that such factors as air flow rate, size of space treated, humidity and room temperatures all affect insect activity and control. As with any method of insect control, best results are achieved when sanitation and other positive insect prevention practices are followed. This 6 ½ oz. can of insect killer contains approximately 3,400 "shots" sufficient to sustain operation for a total of 850 hours (35 days on around-the-clock basis).

RESTRICTIONS Not for use in Residential areas. Do not use in nurseries or rooms where infants, ill or aged persons are confined. Do not place metering device directly over or within 8 feet of exposed food, dishes, utensils, food processing equipment, and food handling or preparation. Do not install within 3 feet of air vents.

AERO brand aerosols are the finest available anywhere. A full range of solutions, from cleaning, to pest control. No other products can match our standards or our commitment to quality.

HIGHLIGHTS

- Time-dispensed insecticide
- Non-residual
- Economical
- Highly effective

TYPICAL PROPERTIES

- Specific Gravity: 0.81
- **ACTIVE INGREDIENTS:**
 - Pyrethrins:.....0.90%
 - Piperonyl Butoxide:.....1.80%
 - N-Octyl bicycloheptene dicarboximide:.....3.00%
 - Other Ingredients:.....94.30%
- Odor: Insecticidal
- Propellant: Hydrocarbon
- Spray Characteristics: Fine mist
- Net Weight: 6.5 ounces

SAFETY CAUTIONS

Keep out of reach of children.

Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

Refer to SDS and product label for additional safety information and directions for use.
