

SKAT Oven Cleaner

CONCENTRATED

INDUSTRIAL STRENGTH GEL

**Removes caked on foods and grease
from ovens, cooking utensils, barbecue grills
(gas and charcoal), and stainless steel**

SKAT oven cleaner is formulated for use on hard to clean institutional ovens and cooking utensils. It is ideal for cleaning barbecue grills, home ovens, and stainless steel.

DIRECTIONS

WEAR RUBBER GLOVES. READ PRECAUTIONARY STATEMENTS CAREFULLY BEFORE USING.

Shake before using. Spray a liberal amount from a distance of 9 to 12 inches onto the surface. Avoid spraying near pilot lights. Allow the penetrating cleaner to work 5 to 10 minutes on warm surfaces (200°F) or 10 to 20 minutes on cold surfaces. Wipe clean with a wet cloth, sponge, or paper towel.

For heavily encrusted areas, repeat the application.

AERO brand aerosols are the finest available anywhere. A full range of solutions, from cleaning, to pest control. No other products can match our standards or our commitment to quality.
