

Bulldog

PENETRATING GEL LUBRICANT

with PTFE

BULLDOG is a general purpose penetrating lubricant. This long lasting PTFE gel lubricant prevents rust and corrosion and resists water washout.

Excellent for use on door hinges, open gears, wire ropes, cables, conveyors, chains, and sprockets.

DIRECTIONS

Shake well before using. Saturate area to be lubricated. If necessary, repeat application.

AERO brand aerosols are the finest available anywhere. A full range of solutions, from cleaning, to pest control. No other products can match our standards or our commitment to quality.
