

AERO brand aerosols are the finest available anywhere. A full range of solutions, from cleaning, to pest control. No other products can match our standards or our commitment to quality.

# Brake Cleaner

## NON-CHLORINATED

- **HIGH PRESSURE CLEANER**
- **FOR ALL BRAKE PARTS AND CV JOINTS**
- **DEGREASING AGENTS LEAVE NO RESIDUE**

This high quality product can be applied to brake discs or drums, as well as CV joints to lift and wash soil, grease, oil, fluids and contaminants without disassembly of brake system. The high pressure system (100 lbs) improves the cleaning action and the blend of solvents will not leave a residue. Dries quickly.

NOTE: IF USED ON PAINTED OR PLASTIC SURFACES, IT IS RECOMMENDED THAT THE PRODUCT BE TESTED IN A REMOTE AREA TO INSURE COMPATIBILITY.

## DIRECTIONS

Shake well before using. Point spray head towards part. Apply generously to the work surface to be treated. Attach extension tube for pinpoint application. Allow to either air dry or wipe dry with a soft cloth.

## HIGHLIGHTS

- Cleans without disassembly of the brake system
- Removes soil, grease, oil, fluids and contaminants
- High pressure (100 lbs)
- Dries quickly and will not leave a residue

## TYPICAL PROPERTIES

- Specific Gravity: 0.725
- Propellant: Carbon dioxide
- Spray Characteristics: Stream
- Appearance: Colorless
- Odor: Solvent
- Net Weight: 13 ounces

## SAFETY CAUTIONS

Keep out of reach of children. Read label and SDS before use. Extremely flammable aerosol. Pressurized container: May burst if heated. May be fatal if swallowed and enters airways. May cause drowsiness or dizziness. Causes skin irritation. Causes serious eye irritation.

Refer to SDS for additional safety information.
