

MD Penetrating Lubricant

SUPERIOR PENETRATING FORMULA

This product frees rusted and corroded nuts, bolts, studs, set screws, aluminum and copper fittings. This product also lubricates and prevents corrosion on rusted and frozen parts. Can be used on most metal, wood and painted surfaces. Use this product in garages, factories, on farm machinery, marine and aeronautical equipment, in shops and homes.

DIRECTIONS

Hold container upright 6 to 8 inches from surface to be sprayed. Spray area to be treated liberally and allow sufficient time for complete penetration. Repeat treatment on extremely corroded parts. Tapping or heating may be required in some severe instances.

AERO brand aerosols are the finest available anywhere. A full range of solutions, from cleaning, to pest control. No other products can match our standards or our commitment to quality.

HIGHLIGHTS

- Contains PTFE
- Displaces moisture
- Non-ozone depleting
